Additional Details

About Yourself	I am Abhijith Karun and i am from Kullakkada, I have complited my degree in Bsc Computer science from Kerala University. I am Currently persuing my Postgraduation in MCA From TKM college of Engineering. My family consist of four members , Father ,Mother and Syster.
Scholarship Utilization	Tuition / School Fee, Hostel / Accommodation, Books & Study Material, Coaching / Competitive Exam Preparation
Received prior scholarship?	Yes
Prior Scholarship Details	4100
Have you paid the course fee?	Partially
Amount Paid (Rs.)	Rs. 30,395
Career Aspiration	I aspire to build a successful career as a software engineer, specializing in software development and emerging technologies such as artificial intelligence and machine learning. My goal is to use my technical skills to develop useful and innovative solutions while continuously learning and growing professionally.
Study Motivation	I have always been interested in computers, programming, and understanding how technology can solve real-world problems. Studying Computer Science gives me an opportunity to turn my interest in technology into practical skills and build solutions that can make a positive impact.
Scholarship Impact	This scholarship would reduce the financial burden of my education and help me focus more on my studies and career preparation. It would support expenses such as tuition fees, learning resources, and other academic requirements, allowing me to develop my technical skills and work toward my goal of becoming a skilled software professional.
Leadership / Volunteering	I have participated in academic projects and team-based activities during my education, where I have contributed to planning, coordination, and completing tasks with my teammates. These experiences have helped me develop communication, teamwork, responsibility, and leadership skills. I also try to support my classmates by sharing knowledge and helping them with academic and technical tasks.
Education Loan	0
How did you hear about us?	Teacher / Faculty
Support Needed	Career Mentorship, Internship Opportunities, Academic Guidance, Placement Support, Competitive Exam Preparation

Mentoring Interest	Yes
